COMMUNICATION UNDER 37 CFR 1.111

Dear Sir:

The attached and enclosed unopened envelope contains a complete response fully complying with the requirements set forth in a Notice dated February 6, 2004. As can be seen, the postmark bears the date of March 4, 2004 and the response bears a statement that it was deposited as first class mail in the US Post Office on that date. It was returned to the undersigned for having an "insufficient address"

The cause for the "insufficient address" results from inadvertently typing the word "Arlington" instead of the word "Alexandria" when preparing the address label.

Despite this inadvertent error, it is respectfully submitted that applicant's response was timely sent. Acceptance of applicant's response and its entry are respectfully solicited.
